

EXECUTIVES RECEIVE DBIA CERTIFICATION

FOR IMMEDIATE RELEASE

October 17, 2006

Cherry Hill, NJ -- Three executives at The Bennett Group have been certified as Designated Design-Build Professionals by the Design-Build Institute of America (DBIA).

Scott Bennett, President, a Cherry Hill resident; Gary Bennett, Chief Operating Officer and a Lawrenceville resident; and Anthony Sirizzotti, Vice President of Design and a Haddonfield resident, have all successfully completed the requirements of the designation program and have earned the right to use the DBIA after your names, identifying them as professionals in the design-build field. The program, The Professional Design-Build Conference in Nashville, TN, which has been endorsed by the DBIA Designation Board, is intended to create an accepted and recognized educational standard for experienced, professional and knowledgeable practitioners who possess a qualified and quantified level of expertise in design-build.

The Bennett Group specializes in Design-Build services for retail, medical and religious facilities, as well as project and construction management, architecture, interiors and construction. Based in Cherry Hill, NJ, the company is a third-generation family-owned business, and currently has more than 40 projects underway throughout the New Jersey and Pennsylvania region.
