BARRY BANNETT NAMED TO NATIONAL BOARD

FOR IMMEDIATE RELEASE

December 11, 2006

Cherry Hill, NJ – Barry Bennett, AIA, founder and Chairman of The Bennett Group, has been named to the National Board of Directors of the Design-Build Institute of America (DBIA).

A Haddonfield NJ resident, Mr. Bennett has been a popular teacher and speaker for many years on behalf of the DBIA, and continues to serve as a member of the Board of the DBIA's Pennsylvania Chapter, which serves the tri-state region.

The DBIA is a membership organization founded in 1993 to advocate and advance single-source delivery within the design and construction community. The design-build method of project delivery embraces architecture, engineering and construction services under a single contract, re-integrating the roles of designer and constructor. DBIA members include practitioners from all project phases, plus public and private-sector project owners.

The Bennett Group, based in Cherry Hill, NJ, is a third-generation family-owned business, and currently has more than 30 projects underway in the region. The Bennett Group can be reached by phone 856-751-8800, fax 856-751-7692 or web www.thebannettgroup.com.
