HOLIDAY TOY DRIVE

The Bennett Group will be helping The Camden Rescue Mission, Inc collect toys for the Holiday Season.

The **Camden Rescue Mission Inc.**, will be celebrating their **20th Annual Christmas Celebration** for **Needy Children**.

The Camden Rescue Mission Inc., is in need of New Un-wrapped toys for children ('boys and girls'), 2 to 12 years of age. Monetary donations are accepted and will be greatly appreciated by the Camden Rescue Mission Inc., as it will help families in need. Understand that the families and children are from broken homes; some are abused or neglected children who are now being raised by the state or their grand parents.

We will be collecting donations here in the office from now until December 15th. Please let others know as well, the more donations the better! Also, pass the word along to any subcontractors or business associates who may want to contribute
