JAKE TODD APPOINTED TO LEGISLATIVE COMMITTEE

FOR IMMEDIATE RELEASE

April 12, 2007

Cherry Hill, NJ – Jake Todd, Senior Project Manager of The Bennett Group, Ltd., has been appointed to the Legislative Committee of the Tri County Construction Code Association.

Jake's role on this committee will be to monitor, act and comment on legislation pertaining to municipal code officials, contractors, design professionals, professional engineers and architects. On a daily basis legislative bills which are sponsored by Tri County's assembly - men/women and state senators who assign designated bill numbers - then bring to the committee for additional sponsorships and votes. Jake will be responsible for monitoring the bills and advising members on the activity of the legislation.

Tri County Construction Code Association is a branch of the International Code Council (ICC), which is the largest building and safety code organization dedicated to protecting the property, health and safety of people worldwide. Some of the members include architects, engineers, builders, contractors, government officials and manufacturers. Visit them at www.iccsafe.org.

"I would like to take this opportunity to offer my warmest congratulations on your appointment to our Legislative and Political Action Committee. It is my feeling that your appointment reflects well upon your ability to serve the needs of Tri-County Code and the International Code Communities, and I am looking forward to working with you in the future." states Michael A. Schaffer, Past President, Tri-County Construction Code Association.

Barry Bennett states, "It's really great to see one of our fellow employees to become involved in this construction organization. Jake's involvement is a great example of one of our project managers going above and beyond his daily responsibilities. I'm sure that it will help him and all our employees establish and maintain a good relationship with the construction code officials."

The Bennett Group, based in Cherry Hill, NJ, is a third-generation family-owned business, and currently has more than 40 projects underway in the region. They specialize in design-build services for retail, medical and religious facilities, as well as project and construction management, architecture, interiors, and construction. The Bennett Group can be reached by phone 856-751-8800, fax 856-751-7692 or web www.thebannettgroup.com.
