HOLIDAY TOY DRIVE

The Barnett Group, Ltd. and several of its subcontractors helped The Camden Rescue Mission, Inc collect toys for the Holiday Season.

The **Camden Rescue Mission Inc.**, celebrated their **20th Annual Christmas Celebration for Needy Children this year.** The families served by The Camden Rescue Mission are from broken homes; some are abused or neglected children who are now being raised by the state or their grandparents. So every year the mission collects toys for children ages 2 to 12. They also accept monetary donations to help families in need.

The Barnett Group would like to thank the following business associates who contributed to this effort and brought joy to many children:

Universal Construction

Nature Scape Company

Centennial Landscape, LLC

HVAC Services, Inc.

Advance Door and Supply Company

Quality Landscaping, Inc.

Sergio & Jackson Espindola, FIS
